RE: THE STATE

After long deliberation, we have elected to move beyond our relationship with MTV Networks when our contract expires this August.

We'd like to take this opportunity to thank you and your associates at MTV for your ongoing support of The State over the last two years.

It has been a remarkable experience for all of us, and we'd like to thank Eileen Katz in particular for her commitment on our behalf.

We look forward to delivering the final seven shows with the same enthusiasm and creativity as the last nineteen.

Best personal regards.

Steven Starr
