

Sen. Kennedy
United States Senate

WASHINGTON, D. C.

file

Dear Mr. Lorne:

This is a belated
note of thanks for the
courtesy that you did
to my wife and myself
on our recent visit to
Madison.

I knew how difficult
a time it was for you, as

news of Mr. Wiggins' death.

I found you public
and private both stimulating
and instructive - and we
shall look forward to seeing

you soon again.

With best wishes

Sincerely

John Brown
