Mr. William T. Evjue,
Editor and Publisher
The Capital Times
Madison, Wisconsin

Dear Mr. Evjue:

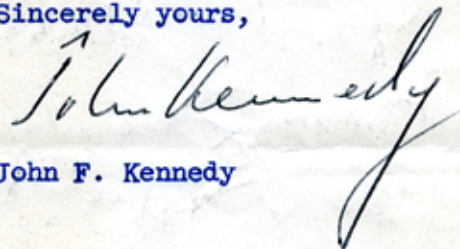

Many thanks for your very thoughtful and friendly letter of June 11. I would like to have The Capital Times in my office every day. Please enter my subscription immediately and bill me in whatever fashion is customary.

While I will try to read it each day myself -- and I know Ted Sorensen, whom you met with me, will -- I would welcome at any time a note from you emphasizing a particular editorial or feature which you feel would be particularly helpful to me.

Again many thanks for your very generous letter and for your very kind hospitality of last month.

With every good wish.

Sincerely yours,

John F. Kennedy
