Dear Bill and Club Members:

My best wishes to all of you on the publication of the first Fan Club Journal. I am looking forward to receiving my copy.

As you know, I have finished GLASS MENAGERIE which won't be released until the fall. I am very anxious to start my new picture which will be called ACE IN THE HOLE. We will be shooting for several weeks in New Mexico. This makes the first picture I have ever had to go away on location for, and I think it should be an interesting experience. Billy Wilder, a very talented director, will direct and produce the picture. I play the part of a newspaperman.

While I am still unemployed, I have developed two new hobbies. I have been playing tennis like mad, and I have taken up photography. I bought myself a beautiful Rolleiflex camera, and, as soon as I take some good snaps, I'll send them to Bill to use in the journal if he would like. Maybe I can get some good snaps on location in New Mexico.

I certainly appreciate the help that all of you, Bill and club members, have given me. Let me know if there is any other way in which I can cooperate, because I would also like this club to be enjoyable for everyone that belongs.

Vacations will be starting soon, so I want to wish each of you a very pleasant one.

Sincerely,
