DEar Mr. Bogeus:

In relation to the sum of \$6,000. presently due me for work on the screenplay of your production of CONQUEST:

I authorize you to make any or all payments, up to the full amount, in checks made out to me, Sam Jackson; and to turn all such checks over to Mr. Hugo Butler, who will call at the Bamer Hotel to receive such check or checks.

Upon receipt by you of Mr. Butler's acknowledgment that he has received such check or checks, I absolve you of all responsibility in the matter. Specifically, I agree that the payment to Mr. Butler is equivalent to payment to me, in person; and I accept all responsibility for any loss that may occur in transfer of the money from Mr. Butler to me.

Mr. Butler, in the matter of receiving monies due to me from you, acts in fact as my representative, my attorney and my proxy, with all the powers attendant upon such designation by me; and once any or all checks have passed into his hands and been cleared through your bank, your obligation to me ceases to the extent of the sum total of the checks turned over to Mr. Butler.

Yours very truly
